St. Luke's Hospital – Plaza

Saint Luke's Health System is pleased to announce that it has opened a walk-thru testing site for COVID-19 patients who meet the criteria and may not be able to take advantage of drive-thru testing. The new testing site, located at the intersection of 43rd and Wornall on the Saint Luke's Hospital of Kansas City campus, is easily accessible to nearby residents, patients visiting Saint
Luke's physician clinics who would like to schedule a same-day appointment on site, and those who rely on public transportation. Several bus stops are located nearby.

This walk-thru testing is by appointment only and requires a physician referral. Those without a referral or an appointment will not be tested. First responders should coordinate through their human resources departments. The site is open seven days a week from 10 a.m. – 3 p.m.

Only Saint Luke's patients, Saint Luke's employees, or first responders who meet the following criteria are eligible for testing (must meet BOTH criteria):

One or more of the following new symptoms:

- Fever of 100 degrees or higher
- New cough
- Shortness of breath
- Loss of smell or taste
- Diarrhea
- Sore throat
- Body aches

AND one or more of the following risk factors:

- Exposure to or contact with someone with COVID-19 within the last 14 days
- Immunocompromised
- Age 65 or above
- Pregnant
- Uncontrolled chronic condition
- Works in health care setting/first responder

What you need to know:

If you have symptoms of COVID-19, we encourage you to call us at 816-923-5800. You will speak with a provider who can assess your situation and schedule you for a test.

If you are a Swope Health patient, we can schedule you at the Central drive-through clinic near Building C or at the Wyandotte COVID-19 office. Both are separated, as a precaution, from other areas of the clinics that are open for non-COVID-19 healthcare.

If you are not a Swope Health patient, you must complete registration before we can schedule an appointment. This must occur in person at this time, so we will ask you to come to either the Central or Wyandotte COVID-19 clinic to register. Please bring an ID, proof of address, health and health insurance records with you. While there is no charge for COVID-19 testing, you may be eligible for sliding fee payments for other healthcare services, so please bring proof of income as well.

You can learn more about registration and download forms in advance, if you like. Forms are available in English and Spanish.
